

**The average SMB is
throwing away
\$8,400 a year**
to software nobody uses.

Waitlist open & capped at 500

Meet the zombies:

Ghost seats

Licenses for people who left years ago.

Twin tools

Miro AND FigJam. Zoom AND Meet. Asana AND Trello.

Sleepers

Paid for 6 months, used 3 times, forgotten.

The receipts.

Published research. We'll show you the numbers.

Size	Tools	Zombies	Saved/mo
10-50	42	12	+\$1,240
50-200	115	28	+\$4,800
200-500	340	84	+\$12,500

Published research. We'll show you the receipts.

The stats that sting.

The zombie tax is real.

68%

of SaaS waste is

How DeadSaaS works.

1. Connect

Link your inbox. Read-only. We never read your mail.

2. Scan

We cross-reference invoices, logins, and seat usage.

3. Slice

You click Cancel. We handle the vendor offboarding.

Why we're doing this.

Built by a 17-year-old founder
in Kigali, Rwanda.

Our operation cost so far: \$0.

We don't need your money to survive.
We need your email to prove demand.

DeadSaaS

Early access:
free & capped at 500.
